SPORT &
LEISURE

Thanks to the sticky back-strip, the shock-absorbent COMFY® DOOR PROTECTOR is quick and easy to place on the garage wall and protects car doors from scratches and dents.

The COMFY® CAR PAD is ideal to have along in the car as it ensures better visibility on the safety lane and makes changing a tyre a great deal safer.

Thanks to the COMFY® CAR ECOSEAT KNEEPAD car repairs no longer have to lead to bruised knees. What's more, the surface is water resistant and therefore easy to clean.

Lying on your back or leaning on your elbows, with the exceptionally light COMFY® CAR MAT you can work on, or better said, under your car in a comfortable and back-friendly manner.
