

COMFY[®]

Fitness & Rehabilitation

SPORT &
LEISURE

The COMFY® NOODLE is a multifunctional, easy to use and beneficial sport aid. In addition to being used to **prevent and rehabilitate** from illnesses and injuries, it is also a useful **training aid** for those with a physical disability. The sense of weightlessness in the water is a wonderful benefit.

According to physical therapists, the COMFY® FOAM ROLLER is particularly suited to rehabilitation and prevention training. Activating the deep-lying muscles relieves back pain and improves posture. Body builders use the COMFY® FOAM ROLLER to **loosen muscles** before and after training.

Fitness & Rehabilitation

The COMFY® AQUAFIT NOODLE is incredibly versatile in the fields of fitness and rehab. The new ergonomic design offers particularly good protection for the joints, as well as being handy and delivering convincing results in terms of prevention and rehabilitation of bone and joint problems. Its hard inner core provides firmness which offers optimum training possibilities in rehab treatments or water gymnastics.

The COMFY® AQUAFIT SMILE is a real eye-catcher and its jolly looks immediately put you in a good mood. The handy, easy-to-use Smiles increase water resistance, making them particularly well suited for building up muscles, while also promoting balance and coordination through specific training exercises.

The COMFY® PRO AQUAJOGGING belt and the COMFY® PRO BOARD are primarily designed for Aquasport.
